 Shelter  
Clear Creek 

### Trail Etiquette & Rules:

- Do not use dirt trails. Visit [www.icorrb.org](http://www.icorrb.org) for trail closure info.
- Trails are closed to all users for 24 hours following rain to prevent ruts and erosion damage.
- Trails are directional. Follow signs to avoid collisions.
- Bikers yield to hikers. Allow faster users to pass.

### Safety Tips:

- Wear a helmet, check bike for problems, adjust tire pressure (~30psi).
- Let someone know where you are and when you will return. Take a cell phone with you.
- Child carriers or bike trailers not recommended on natural surface trails.
- Dogs must be leashed (park regulation)
- Be aware of Poison Ivy and other hazardous plants.

Are these trails important to you? Consider volunteering with ICORR or our maintenance crew. Hundreds of volunteer hours are required each year to help maintain these trails and many hands make light work. Iowa Coalition of Off-Road Riders (ICORR) is a volunteer non-profit organization formed to promote, preserve, and improve mountain bike trail access in Iowa. Visit [www.icorrb.org](http://www.icorrb.org) or [www.coralville.org/parksandrec](http://www.coralville.org/parksandrec) for more info.
